All Day — BASE BORDEN
Mar. 23 — Central Toronto — Meeting
Mar. 23 — West Toronto — Dinner Meeting
Mar. 25 — East Toronto — Dinner Meeting
May 28 — West Toronto — Golf Tournament — Pine Valley Golf Club

DR. WILFRED J. McCOLEMAN

Born in North Bay, Dr. Wilf McColeman was raised in Windsor, Ontario where he received his elementary and high school education. He graduated from the Faculty of Dentistry, University of Toronto in 1946.

After nine years in general practice in North Toronto, Dr. McColeman studied orthodontics at the University of Toronto, 1955 to 1957 and has been a practising Orthodontist in North Toronto since 1957. He has been a member of the Orthodontic Teaching Staff of the Faculty of Dentistry, University of Toronto for thirteen years.

Our President has served organized dentistry in the following capacities: Council of North Toronto Dental Society, Council of the Academy of Dentistry, Board of Governors of the Ontario Dental Association and various committees of the Ontario Dental Association. He recently completed four years as Chairman of the O.D.A. Publications Committee.

Now residing outside Metro Toronto, Dr. McColeman was formerly a member of the Board of Trade Country Club and Armour Heights Presbyterian Church. He is married to the former Marianne Turner and has two sons.

President's Foreword

It gives me great pleasure to invite you to participate in the 1970-71 Programs of both the Academy and its Affiliate Societies.

In recent years, we have seen the development of strong Local Societies. It is only by your continued support of ALL functions that the strength of ALL Societies and Associations will continue to be maintained.

The Golf Tournament is earlier this year; we hope for good weather.

The Dinner-Dance has a new location on a Saturday night and promises to be a gala event. Since the Local Societies are not holding dances this year, we urge your attendance to this "ONE BIG DANCE".

The Winter Clinic needs no introduction. Dr. Kamienski and his Committee have arranged a very full clinical program designed to bring you excellent clinicians covering many aspects of modern Dentistry. Time has been arranged to allow greater participation by the Commercial Exhibitors.

Stated Meetings have been reduced to two for this year. We hope this reduction will result in improved attendance at ALL meetings of the Academy and its Affiliates. The First Stated Meeting features the return of a previous highly acclaimed all-day clinician, Dr. Jerome M. Schweitzer. The Second Stated Meeting will be the ever popular trip to Base Borden.

On behalf of all, the Academy Council and the Executive Officers of the Affiliated Societies, I wish to thank you for your previous support and I look forward to your continued participation in Toronto Dental Programs.

W. J. McCOLEMAN,

President

HONORARY LIFE MEMBERSHIP

JOSEPH HARKER JOHNSON, D.D.S.

Dr. Johnson was born in Dunmanway, Co. Cork, Ireland but came to Canada as an infant, when his family emigrated to Manitoba.

He was educated in the Manitoba school system and at Brandon College. He served for a period with the Royal Air Force in World War I, returning to Brandon College for two years

after the war. Dr. Johnson graduated from the Faculty of Dentistry, U. of T. in 1925, following which he spent five years in general practice. He joined the Staff of the Department of Dental Surgery and Anesthesia at the Faculty of Dentistry at Toronto, under the supervision of the late Dr. E. W. Paul, as a Junior Demonstrator and ascended through the various Faculty gradations to become Professor and Head of the Department of Dental Surgery and Anesthesia in 1945.

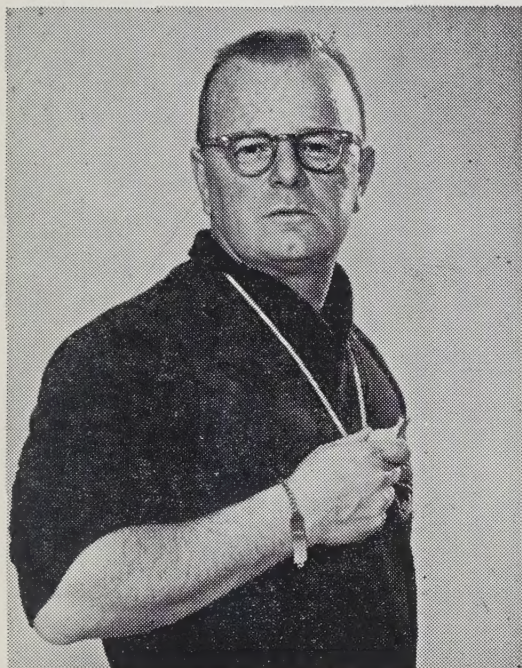

Dr. Johnson has appeared on major programmes in Canada, the United States and London, England, including Boston, New York and as one of a panel of four on the telephone broadcast from Chicago. He has worked for his profession in many capacities, being a Past President of the Academy of Dentistry, Toronto; Past President and Honourary Member of the Ontario Dental Association; Past President and Honourary Member of the Ontario Society of Oral Surgeons; Past President and Honourary Member of the Canadian Society of Oral Surgeons and one of its founding members; he is also a Life Member of the American Society of Oral Surgeons.

Anesthesiology was always one of his prime interests and he was a member of the American Dental Society of Anesthesiology, the International Anesthesia Research Association, the American Society of Anesthesiology and an Honourary Member of the Society for the Advancement of Anesthesia (Eng.). He is also an Honourary Member of the Horace Wells Club of Hartford. This unique club limits its regular membership to 32 and holds an annual dinner in Hartford to commemorate the discovery of nitrous oxide anesthesia by Wells on that date in 1844.

Dr. Johnson held membership in many scientific and academic groups, chairing many Committees. He was a one-time member of the Senate, University of Toronto, a member of the American Society for the Advancement of Science and is a Charter Member of Tau Tau Chapter of O.K.U. Honour Society. He was a member of the Medical Writers Association and the American Association of Dental Editors making many contributions to the literature. For many years he served as Chairman of the Editorial Board of Oral Health, and, until his recent retirement, as Editor of the Journal of the Ontario Dental Association.

In addition Dr. Johnson served as Librarian and Curator of the Faculty Museum. In the latter capacity he was responsible for collecting many of the Museum items, an activity that still holds his keen interest. In hours of relaxation he is an ardent horticulturalist and has had considerable success and much pleasure in hybridizing tall bearded iris.

ANNUAL DINNER
ROYAL YORK HOTEL
WEDNESDAY, OCTOBER 28, 1970
Fellowship Hour 6:00 p.m. — Concert Hall
Dinner 7:00 p.m.

Guest Speaker:

MR. LLOYD PERCIVAL
Director, Fitness Institute

Topic:

**"Physiological Effects of
Regular Exercise on Sedentary
Business Men and Women"**

BIOGRAPHY

Mr. Percival was born in Toronto in 1913 and received his education mainly in the U.S.A. and Europe. He has an M.S. from Sokol Institution, a Class "A" Diploma from Loughborough College, England, an Honour Diploma in Journalism from Columbia University and an Honorary Doctorate from Kongressen, Sweden.

He was awarded the Coronation Medal by Queen Elizabeth in 1953 and President Kennedy's Award of Merit in 1962.

He is Director of the Fitness Institute, Toronto and the Sports College of Canada as well as Program Consultant for the Canadian Olympic Association and consultant to the 1970 Davis Cup Tennis Team. He has written many books and produced films on physical fitness relating to all sports.

BIOGRAPHY

Dr. Spence was born in Toronto, December 13, 1922 and received his early education in that city. He served as a pilot in the R.C.A.F. from August 1941 to October 1945 retiring with the rank of Flight Lieutenant.

In 1946 Dr. Spence entered the Faculty of Dentistry, University of Toronto and received his D.D.S. in 1951 and his M.S.D. from Northwestern University in 1953. He has taken many post-graduate courses and served on the Staff of the Hospital for Sick Children for eight years, a part of this as Director, Cleft Palate Institute.

Dr. Spence has been active in organized dentistry at all levels, having been a Councillor to the Academy of Dentistry 1955-56, Secretary to the Canadian Society of Dentistry for Children 1956-57, and President of the Toronto Orthodontic Study Club 1961. In 1962 he was elected a Governor of The Ontario Dental Association becoming President of that Association in 1967. Dr. Spence was elected Governor to the Canadian Dental Association in 1967. Fellowship in the International College of Dentists was conferred on Dr. Spence in 1967.

Dr. Spence was Deputy Supreme President, Omicron Chapter, Xi Psi Phi Fraternity in 1957-59 and his hobbies include golfing, curling, painting and gardening.

FIRST STATED MEETING

ROYAL YORK HOTEL

9:00 a.m. - 5:00 p.m. — Luncheon Included

THURSDAY, FEBRUARY 4, 1971

Essayist:

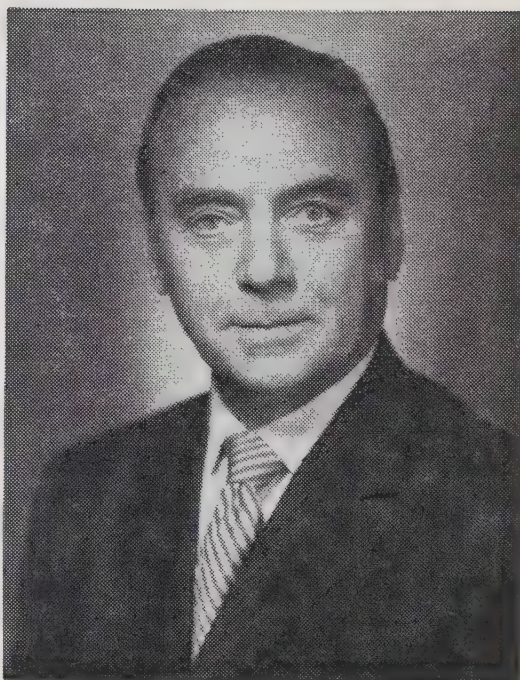

**JEROME M. SCHWEITZER,
B.S., D.D.S.**

Topic:

**“Restorative Dentistry”
Diagnosis - Treatment Plan -
Methodology**

Synopsis: Object is to present in detail as many facets of clinical crown and bridge prosthetics and extensive restorative dentistry as time will permit. This will include from one tooth fixed partial denture to complete oral rehabilitation; splinting; cantilevers; root resection; telescopes and telescoped full denture; vertical dimensions; occlusion; orthodontic aids; materials, including bonded porcelain. Various types of implants will be presented. Limitations of prosthetics and periodontal treatment will be discussed.

What Dr. Schweitzer does in his office today!

BIOGRAPHY

Dr. Schweitzer is Clinical Professor of Denture Prosthetics, New York University College of Dentistry Graduate School; guest lecturer in Prosthodontics, University of Pennsylvania Graduate School of Medicine; and guest lecturer in Prosthetics, Columbia University School of Oral and Dental Surgery. He is a fellow of the American College of Dentists; Fellow of International College of Dentists; Fellow of American Academy of Denture Prosthetics and Fellow of the Greater New York Academy of Prosthetics. Dr. Schweitzer is the author of the following texts “Restorative Dentistry”, “Oral Rehabilitation” and “Oral Rehabilitation Problem Cases”.

SECOND STATED MEETING

All Day Session

Wednesday, March 10, 1971

“ACADEMY DAY”

at

Canadian Forces Dental Service School

Base Borden, Ontario

A program of lectures and clinics presented by the Commandant, Colonel L. G. Craigie and the Teaching Staff of the School.

Registration fee includes transportation by chartered bus,
luncheon, dinner and fellowship.

SECRETARY'S REPORT — 1969-70

Dr. George Stirling, President, gave very able direction to the many activities of the Academy during the past year.

The Academy year opened with the Cedarbrae Golf and Country club again being the scene of our annual golfing event. Bert Levin's co-chairman, George Richards deserves our thanks for a well run tournament.

Dr. Harold Skilling was presented with an Honorary Life Membership in the Academy at the Opening Dinner. The past president of the Ontario Medical Association, Dr. Melvin, gave a fine address.

Those who attended the Dinner-Dance at the lovely Rosedale Golf Club, enjoyed a wonderful evening. However, attendance could have been better.

The Winter Clinic Committee with Wilf McColeman at the helm provided an extremely worthwhile program. The record attendance of 823 shows how popular this meeting is. The two main clinicians, Drs. Updegrave and Jacobson gave excellent presentations. The Luncheon speaker, Mr. Peter Swann, gave a fascinating slide presentation on the work of the Royal Ontario Museum. Dr. Hector MacLean, President of the C.D.A., brought us up-to-date on the activities of our National body.

Lt. Col. Paul Sills and Dr. Wm. Gilmore were the clinicians at the first two Stated Meetings, while the trip to Camp Borden (always popular) highlighted the third meeting. The first two meetings were marred by poor attendance.

In March, the Curling Bonspiel was a resounding success. Again thanks to Bert Levin, ably assisted by Paul Hutz.

The various committees and functions of the Academy are carried on by members of the profession who devote a lot of time and effort without complaint. Thanks go to the following for jobs well done:

Bill MacKenzie	Public Relations and Fellowship
Ron Anco	Dental Assistants' Course (second term)
Bernie Crystal	Emergency Service
John Storms	Referee Board on Dental Care
Rod Moran	Auxiliary Services
Bob Hall	Year Book
Merv Suntock	Study Groups
Bob McKegney	Publicity
Don McKee	Membership
Bruce Hord	Mediations
Syd Rosenbaum	United Appeal

The Executive Council were guests of the West Toronto Dental Society at a dinner meeting January 27th. The purpose and function of the Academy and the duties of each executive were explained to the membership. This was a very useful dialogue.

The Academy of Dentistry Prize in the Faculty of Dentistry, University of Toronto 1970 was won by George J. Vasiga to whom we wish every success.

Mr. Ian Hannah continues to do a very commendable job of looking after the Dental Nurses' and Assistants' Registry.

Our very capable executive secretary, Mrs. W. Durham, deserves a special vote of thanks from all Council members for her invaluable assistance which makes our jobs so much easier.

MIET A. KAMIENSKI
Secretary

AUDITOR'S REPORT

The Academy of Dentistry,
230 St. George Street,
Toronto 180, Ontario
Gentlemen:

Re: Annual Audit — December 31, 1969

I hereby certify that I have examined the attached Statement of Revenue and Expenditures for the year 1969. I have confirmed the bank balance with the bank and the certificates with A. E. Ames & Company Ltd., and I also examined the \$8,000 Dominion of Canada bonds.

April 17, 1970

Respectfully submitted,

D. H. STODART,
Chartered Accountant.

REFEREE BOARD ON DENTAL CARE

For many years the Ladies' Auxiliary of the Toronto Academy of Dentistry has raised considerable sums of money for the purpose of providing dental treatment for retarded and emotionally disturbed young people. The only stipulation made is that dental care is not available through any other source.

Because of its unique position in local organized dentistry, the Academy Council, through the Referee Board administers half of the money raised by the Ladies' Auxiliary as a service to them.

The majority of the children referred for treatment are selected by Dr. J. McGaughey, Director of the Division of Dental Services of the Department of Public Health of Toronto, while a smaller percentage are recommended by concerned school principals or social workers.

Commencing the 1969-70 season, approximately \$2,200 was available to provide dental treatment for these less fortunate individuals. Seven patients were accepted for treatment and the fees charged totalled \$1,630. The treatment involved in several cases was so extensive it could be considered oral rehabilitation, but the psychological value to these young patients was so great that it far outweighed the expense involved.

However, the problem of increasing dental fees is an extremely serious one. It has become obvious that some other method of providing treatment must be employed to obtain more treatment at less cost.

To this end, correspondence has been exchanged and discussions held with responsible officers of the Dental Department of New Mount Sinai Hospital with a view to obtaining dental treatment for these patients at this institution. The cost should prove substantially less than that required by private practitioners since the dentists involved donate their services as a charitable gesture. The Referee Board expects this service will be available in the immediate future.

The Academy Council urges all dentists of Metropolitan Toronto to continue their strong support of the Ladies' Auxiliary, particularly their scrap amalgam collection. The members of the Ladies' Auxiliary deserve great credit for their efforts to provide better dental health and improved appearance and comfort for these unfortunate children.

JOHN L. STORMS,
Chairman.

EMERGENCY SERVICE

Last year the Academy of Dentistry once again sponsored the Emergency Dental Service for the whole of Metropolitan Toronto. The service is maintained after normal business hours, weekends and all public holidays.

I would like to take this opportunity to thank those members of the Academy who volunteered their services. It is through their efforts that the past year was a success.

A special word of thanks to Mrs. A. Durham, the Executive Secretary of the Academy. Her organizational talents made my task simple.

B. N. CRYSTAL,
Chairman.

DENTAL ASSISTANTS' COURSE

The dental assistants' evening course completed its 10th year of operation during the 1969-70 session and there were 56 girls who graduated.

The graduation ceremony was held in the Great Hall of Hart House where Dr. Jolley, President of the Royal College of Dental Surgeons of Ontario presented the diplomas. The guest speaker was Dr. George Zarb, Faculty of Dentistry, University of Toronto.

The Academy prizes, this year, were awarded to Miss Penny Jeffery and Mrs. Diane Alexander who graduated at the top of the class.

The Academy would like to express its appreciation to the lecturers for their time and cooperation in making this another successful year. Special thanks are in order also for Mrs. A. Durham, the Academy secretary and the two course coordinators, Miss Dianne Hardwick and Mrs. Frances Smith, for their invaluable assistance in organizing this course.

RONALD S. ANCO,
Chairman.

Dental Nurses and Assistants Registry

SPONSORED BY

The Academy of Dentistry, Toronto

MR. I. M. HANNAH

32 Gardenvale Road, Toronto 18 - 233-4390

Call Mr. Hannah for complete information regarding employment of full or part-time assistants:

1. If you are a dentist who wishes to employ a nurse or assistant.
2. If you know of a nurse or assistant looking for a position in a dental office.
3. If you wish an assistant with no previous dental experience to learn your own office routine.

MEDIATIONS COMMITTEE

During the past year, approximately 100 complaints have been forwarded to the four Mediations Committees in Toronto and many more misunderstandings and enquiries resolved over the telephone.

The majority of enquiries are in connection with fees charged for dental treatment, however those cases requiring examination of the patient are mainly regarding dissatisfaction with dentures or bridgework.

H. A. FERGUSON,
*General Chairman,
Mediations Committee.*

AUXILIARY SERVICES

The Student Health Organization, University of Toronto, (SHOUT) was initiated in the spring of 1968.

The Academy was approached by the students who asked that we support the organization in principle and assist in the provision of manpower to supervise the operation of their dental clinic — which we have done and will continue to do.

Presently, the SHOUT Dental Clinic is open four evenings per week, utilizing three dental operating rooms. This is the result of a magnificent effort by the students and they can be assured that the Academy is justly proud of them.

R. L. MORAN,
Chairman.

UNITED APPEAL REPORT — 1969

Chairman S. J. Rosenbaum
Vice-Chairman R. J. Wyman

There are times when I am truly ashamed to be associated with the profession of Dentistry and as Chairman of the Dental Division of the United Appeal of Metropolitan Toronto (1969), I hung my head low when the final tabulations were made. As can be seen by the table, the average contribution by our profession works out to \$.95 per week to be distributed amongst 78 agencies.

If this average contribution is divided by the total number of confreres within Metropolitan Toronto, the average then becomes only \$.43 per week for 78 agencies. These figures certainly could not be shouted from the rooftops, nor would I even want to whisper them anywhere outside of our profession. As pitiful as they are, they are an increase over 1968 but short of our goal. Gentlemen, in an apparent age of affluence for our profession, we are sadly shirking our duties.

I would like to thank the following men that served as captains during the 1969 campaign as well as the sixty-eight other canvassers.
